As Fresh as her Tu-lips!

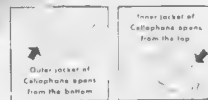

CIGARETTES, like lovely ladies and tall tulips, are most alluring, when they're freshest.

And, when you smoke a Double Mellow Old Gold, you're from the pack of prize crop tobaccos, neither time, nor money, nor effort is spared in guarding their priceless treasures.

That's why every pack of Old Golds is wrapped in double cellophane. TWO jackets of cellophane. Moisture-proof. The highest quality.

It is this ingenious double wrapping that looks out dampness, dust, and dryness... that seals in double-mellow flavor, smoothness, richness... that gives you, in every Old Gold, the deep enjoyment of fine tobaccos, really fresh.

P.S. Don't let the Old Golds go. Offer still holds. It's open for 30 days from today.

...and made from the finest Prize Crop Tobaccos
